Field Descriptions (F12) indicates code lookup is available.

CAPS ID (F12)

This field will display the CAPS ID of the client who was entered on the PROB (Problem Detail) screen.

NAME

This field will display the name of the client whose ID is entered in the CAPS ID field.

PROBLEM CODE (F12)

This field will display the selected problem code and problem description. *This comes from the PROB (Problem Detail) screen and cannot be changed.*

DATE IDENTIFIED

This field will display the date the problem was identified. *This comes from the PROB (Problem Detail) screen and cannot be changed.*

CAPS ID

This field will display the CAPS ID of the person who has the identified problem. *This comes from the PROB (Problem Detail) screen and cannot be changed.*

REL

If the person with the identified problem is a relative of the client, this field will display the relationship of that person to the client. *This comes from the PROB (Problem Detail) screen and cannot be changed.*

PERMANENCY GOAL (F12)

This field will display the permanency goal in relation to the identified problem. *This comes from the PROB (Problem Detail) screen and cannot be changed.*

DATE RESOLVED

This field will display the date the identified problem was resolved. *This comes from the PROB (Problem Detail) screen and cannot be changed.*

SEL

On the select line, type "L" to link a task to the problem listed at the top of the screen or "U" to undo a link of a task to the problem listed at the top of the screen.

TASK (F12)

These fields will display all identified task codes. *These come from the TASK (Task Detail) screen and cannot be changed.*

DESCRIPTION

These fields will display the descriptions for all identified task codes. *These come from the TASK (Task Detail) screen and cannot be changed.*

Additional Information

None.
